12 March 2020

Dear Parents/Guardians,

Thank you for your kind understanding and unwavering support for the school and our staff throughout Term 1 as we worked together to ensure that our students can continue to learn and grow in a safe environment in Dazhong.

To manage the COVID-19 situation, the school has put in place the necessary precautionary measures to safeguard our staff and students' well-being in accordance to guidelines by the Ministry of Health and, at the same time, ensured that the quality of school experience is sustained. These include visitor management and enhanced social distancing measures such as the suspension of camps and learning journeys. Do continue to refer to official communications for important updates and information e.g. Parents Gateway and MOE Frequently Asked Questions (FAQs): <https://www.moe.gov.sg/latest-faqs-wuhan-coronavirus-infection>

Please be reminded that if your child / ward is unwell, he / she should **see the doctor promptly** and **remain at home until he / she recovers fully**. Thank you for working with us to ensure that our students **practise good personal hygiene**, are **socially responsible** and always **look out for and support one another**.

Dazhong Dare to Scale New Heights!

Dazhong received the Gold award for the Green Schools @ South West for our Environmental efforts in 2019. These include teaching students about conserving water and energy, and using recycled materials to make games (Waste to Games). As we continue to raise our students' environmental awareness and develop their knowledge and skills to take appropriate actions, let us encourage them by also playing our part for the environment!

ST 1.1 Nurturing the Whole Child—Learner Excellence

EL Fiesta cum International Friendship Day

Our students will be celebrating their love for the English Language during the EL Fiesta held in conjunction with International Friendship Day (IFD) from 6 April to 9 April. This year's theme is *Beyond Borders*. Students will learn about and appreciate other cultures in cosmopolitan Singapore. In addition, to commemorate World Book Day, all staff and students are encouraged to dress up as their favourite book character on 9 April. Do also have your child/ward bring the book along so they can share the story with their friends. It will be so much fun for students to see their book characters come alive!

To promote the awareness and appreciation for the diverse and colourful cultures and traditions of other ASEAN countries and beyond, all ISPR parents and students are strongly encouraged to access a special SLS lesson to participate in our Friends @ Dazhong Showcase. Full instructions are to be found in the SLS lesson itself. We look forward to your active participation.

Total Defence Week

The Science, CCE and ICT departments collaborated to commemorate the Total Defence Week for all at Dazhong. During this season of COVID-19, Total Defence Week focused on how Singapore is having "all hands on deck" to combat the virus. It helped students to appreciate the part we can all play in Total Defence through morning engagements in class and various Total Defender Recess Activities, including interactions with officers from the Singapore Police Force.

Green Makers @ Dazhong

All Primary 5 classes in Dazhong have embarked on the Green Makers @ Dazhong programme, which aims to nurture our students to be self-directed learners, gracious, resilient and serving beyond self. The programme provides opportunities for students to develop 21 Century Competencies such as Critical and Inventive Thinking (CIT), Communication, Collaboration, and Information Skills (CCI), and Civic Literacy and Global Awareness (CGC). This is done through Maker-Centred activities such as creating Rainwater Collection devices. Students who completed the programme have given glowing feedback on how they enjoyed the learning experience and appreciated the chance to work collaboratively in teams!

ST 1.2 Nurturing the Whole Child—Character Excellence

The Singapore Youth Festival (SYF) is an annual event organised by the Ministry of Education to celebrate the vitality of our youth and their diverse arts talents. The SYF platform serves to support nation-building and develop cultural awareness and appreciation through aesthetics education and foster the development of character, 21st Century Competencies, and social and emotional learning through the arts.

While we may not be able to be at the rehearsals and presentations physically due to precautionary measures, let us continue to encourage and show our moral support to our students who are participating in this SYF Arts Competition. Dazhong Dare to Scale!

ST 3 Engaging Partnerships for Support

Every Parent A Supportive Partner

In view of the current COVID-19 situation, the school has taken the necessary precautionary measures and suspended the activities for and with our parents. We are hopeful that the situation will get better and we will be able to roll out the exciting plans that we have made in terms of parent workshops and activities later in the year. We look forward to your active participation then. Meanwhile, let us continue to partner one another in supporting your child's holistic development.

Parent Engagement Sessions (PES)

Dazhong Dads For Life (DFL) Programme

In view of the current COVID-19 situation, the school has suspended the plans for this year's DFL Programme until the situation improves. Meanwhile, the DFL Core Team of fathers will be meeting to review the plans for the year and are looking forward to engaging all fathers and their children in meaningful activities. We would like to encourage all fathers to take this opportunity to educate their children on the importance of maintaining good personal and social health habits and spend quality time with them. For instance, we hope that you have visited the DFL Google site <http://gg.gg/dzdfli> and used the Total Defence Day package to engage your child.

“A father is neither an anchor to hold us back, nor a sail to take us there, but a guiding light whose love shows the way.”
