Dear Parent/Guardian,

**Updates on Academic Progress – Primary 3**

Towards the end of each term, there will be reviews to keep you updated on the academic progress of your child/ward. The reviews in our curriculum enhance the learning experience for him/her. For Terms 1 to 3, these will be in the form of Termly Reviews. In Term 4, there will be a Semestral Assessment. The table below shows the weighting of the reviews and the Semestral Assessment.

Term	Weighting
1	10%
2	15%
3	15%
4	60%

The Termly Review 1 will be conducted between Weeks 8 and 9. The topics/units to be assessed for each subject and the dates are appended to this letter. Kindly note that students who are absent due to medical reasons must be covered by a medical certificate (MC). Students without a MC will not be awarded any marks for the Termly Review he/she is absent for.

Please complete the Acknowledgement Slip and have your child/ward return it to his/her Form Teacher or via Parents Gateway by **Monday, 3 February 2025**.

As parent/guardian, you may wish to support your child/ward by offering encouragement and positive reinforcement for his/her progress. Discuss his/her strengths and interests based on the various school activities and experiences. Create a plan to nurture his/her development in both academic and non-academic areas.

Thank you for your continued support in our commitment to your child/ward's education.

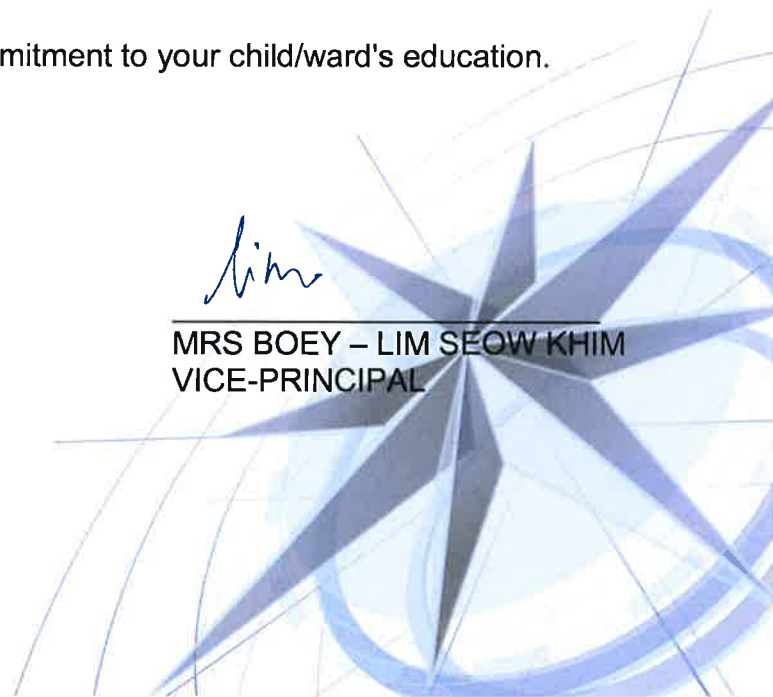

Yours sincerely,

---
