Dear Parent/Guardian,

### Updates on Academic Progress – Primary 4

Towards the end of each Term, there will be reviews to keep you updated on the academic progress of your child/ward. The reviews in our curriculum enhance the learning experience for him/her.

From 2023, the Mid-Year Exam (MYE) for Primary 4 is removed. This is to reduce the excessive focus on examinations and provide more time and space for the development of 21st Century Competencies (21CC). Hence, for Terms 1 to 3, this will be in the form of Termly Reviews. In Term 4, there will be a Semestral Assessment. The table below shows the weighting of the reviews and the Semestral Assessment.

Term	Weighting
1	10%
2	15%
3	15%
4	60%

The Termly Review 1 will be conducted towards the end of Term 1. The topics/units to be assessed for each subject and the dates are appended to this letter. Kindly note that students who are absent due to medical reasons must be covered by a medical certificate (MC). Students without a MC will not be awarded any marks for the Termly Review he/she is absent for.

Please complete the Acknowledgement Slip and have your child/ward return it to his/her Form Teacher or via Parents Gateway by **Monday, 5 February 2024**.

As parent/guardian, you may wish to support your child/ward by offering encouragement and positive reinforcement for his/her progress. Discuss his/her strengths and interests based on the various school activities and experiences. Create a plan to nurture his/her development in both academic and non-academic areas.

Thank you for your continued support in our commitment to your child/ward's education.

Yours sincerely,

MRS YIP – TAN SING YE
