Dear Parent/Guardian,

Updates on Academic Progress – Primary 4

From 2023, the Mid-Year Examinations (MYE) for Primary 4 is removed to reduce the excessive focus on examinations and provide more time and space for the development of 21st Century Competencies (21CC). There will be reviews at the end of Terms 1 to 3 to keep you updated on the academic progress of your child/ward. In Term 4, there will be a Semestral Assessment.

The Termly Review 2 will be conducted around the end of Term 2. The topics/units to be assessed for each subject and the dates are appended to this letter. Kindly note that students who are absent due to medical reasons must be covered by a medical certificate (MC). Students without an MC will not be awarded any marks for the Termly Review he/she is absent for.

Please complete the Acknowledgement Slip and have your child/ward return it to his/her Form Teacher or via Parents Gateway by **Tuesday, 18 April 2023**.

As parent/guardian, you may wish to support your child/ward by encouraging and affirming him/her on the progress made, discuss his/her strengths and interests based on various school activities and experiences, and plan together to develop him/her in both academic and non-academic domains.

Thank you.

Yours sincerely,
