Dear Parent/Guardian,

Updates on Academic Progress – Primary 6

Towards the end of each Term, there will be reviews to keep you updated on the academic progress of your child/ward. The reviews in our curriculum enhance the learning experience for him/her.

From 2023, the Mid-Year Exam (MYE) for Primary 6 is removed. This is to reduce the excessive focus on examinations and provide more time and space for the development of 21st Century Competencies (21CC). Hence, there will be reviews at the end of Terms 1 and 2 to keep you updated on the academic progress of your child/ward. In Term 3, there will be a Preliminary Examination followed by the Primary School Leaving Examination (PSLE) in Term 4. The table below shows the weighting of the reviews and the Semestral Assessment.

Term	Weighting
1	15%
2	15%
3	70%
4	PSLE

The Termly Review 1 will be conducted between Weeks 8 and 9. The topics/units to be assessed for each subject and the dates are appended to this letter. Kindly note that students who are absent due to medical reasons must be covered by a medical certificate (MC). Students without a MC will not be awarded any marks for the Termly Review he/she is absent for.

Finally, please be advised that the English and Math Termly Reviews will take place after curriculum hours, and parents/guardians are requested to make arrangements for picking up your child/ward if necessary.

Please complete the Acknowledgement Slip and have your child/ward return it to his/her Form Teacher or via Parents Gateway by **Monday, 3 February 2025**.

As parent/guardian, you may wish to support your child/ward by offering encouragement and positive reinforcement for his/her progress. Discuss his/her strengths and interests based on the various school activities and experiences. Create a plan to nurture his/her development in both academic and non-academic areas.

Thank you for your continued support in our commitment to your child/ward's education.

Yours sincerely,

MRS YIP – TAN SING YE
HOD / EL

MRS BOEY – LIM SEOW KHIM
