Dear Parent/Guardian,

**Updates on Academic Progress – Primary 6**

From 2023, the Mid-Year Examinations (MYE) for Primary 6 is removed to reduce the excessive focus on examinations and provide more time and space for the development of 21<sup>st</sup> Century Competencies (21CC). There will be reviews at the end of Terms 1 to 2 to keep you updated on the academic progress of your child/ward. In Term 3, there will be Preliminary Examinations followed by Primary School Leaving Examinations (PSLE) in Term 4.

The Termly Review 2 will be conducted around the end of Term 2. The topics/units to be assessed for each subject and the dates are appended to this letter. Kindly note that students who are absent due to medical reasons must be covered by a medical certificate (MC). Students without an MC will not be awarded any marks for the Termly Review he/she is absent for.

Please complete the Acknowledgement Slip and have your child/ward return it to his/her Form Teacher or via Parents Gateway by **Tuesday, 18 April 2023**.

As parent/guardian, you may wish to support your child/ward by encouraging and affirming him/her on the progress made, discuss his/her strengths and interests based on various school activities and experiences, and plan together to develop him/her in both academic and non-academic domains.

Thank you.

Yours sincerely,

MRS YIP – TAN SING YE  
HOD / ENGLISH LANAUGE

MRS BOEY – LIM SEOW KHIM
