# Remaking Secondary School Pathways

Ministry of Education  
SINGAPORE

## One Secondary Education, Many Subject Bands

With Full SBB, students can take subjects at G1/G2/G3 academic levels, which are mapped from today's N(T)-, N(A)-, and O-Level subjects respectively.

### Start of Sec 1

Subject levels are assigned based on PSLE results

### Beyond Start of Sec 1

Subject levels depend on students' abilities

# HOW S1 POSTING WORKS

## CHOICE ORDER OF SCHOOLS WILL MATTER MORE

- Students will continue to be posted to a secondary school based on academic merit i.e. overall PSLE score.
- If two or more students with the same PSLE Score vie for the last remaining place in a school, tie-breakers will be used in the following order:
  1. CITIZENSHIP
  2. CHOICE ORDER OF SCHOOL  
**(New tie-breaker from 2021 onwards)**
  3. COMPUTERISED BALLOTING

# Tie-breakers in the new S1 Posting System

5 students are vying for the last places in the schools of their choice.

**Jane**

Singapore Citizen

16 pts

SCHOOL CHOICES:

- 1) Sch A
- 2) Sch ...
- 3) Sch ...
- 4) Sch ...

Students with better scores will be posted first

**Bryan**

Singapore Citizen

20 pts

SCHOOL CHOICES:

- 1) Sch B
- 2) Sch ...
- 3) Sch ...
- 4) Sch ...

Tie-breaker #1:  
Citizenship

**Mary**

Singapore Citizen

20 pts

SCHOOL CHOICES:

- 1) Sch A
- 2) Sch B
- 3) Sch C
- 4) Sch ...

Tie-breaker #2:  
Choice order of schools

**Alan**

Permanent Resident

20 pts

SCHOOL CHOICES:

- 1) Sch A
- 2) Sch B
- 3) Sch D
- 4) Sch ...

Tie-breaker #3:  
Computerised balloting

**Rina**

Permanent Resident

20 pts

SCHOOL CHOICES:

- 1) Sch A
- 2) Sch B
- 3) Sch D
- 4) Sch E

## Here's a simplified example.

Tie-breakers are used only if there are two or more students with the same PSLE Score vying for the last available place(s) in a school.

Jane has a better PSLE score. She will be posted first, to **School A**.

Bryan, Mary, Alan and Rina have the same score.

As Jane has taken the last available place in School A, Bryan, Mary, Alan and Rina will vie for the last available place in their next choice, **School B**.

Bryan and Mary are Singapore Citizens. They will have priority to enter **School B**.

Alan and Rina will be tie-broken out as they are Permanent Residents. They will be considered for their next choice, **School D**.

Because Bryan ranked School B higher than Mary, he will be posted to **School B**.

Since Bryan has taken the last place in School B, Mary will be posted to **School C**.

Alan and Rina have both ranked School D as their third choice. They will go through computerised balloting to vie for the last remaining place in **School D**.

Through computerised balloting, Alan is posted to **School D**.

Since Alan has taken the last place in School D, Rina will be posted to her fourth choice, **School E**.

Any pupil who cannot get into any of his/her 6 choices will be posted to a secondary school that still has vacancies near his/her place of residence

# USE OF HCL FOR ADMISSION INTO SAP SCHOOLS only

## EXAMPLE:

### Using HCL for Admission into SAP Schools

Students who take HCL will receive a posting advantage when applying to SAP schools

Students will be considered for admission to SAP schools in the following order:

1st		7	NO HCL
2nd		8	DISTINCTION
3rd		8	MERIT
4th		8	PASS
5th		8	NO HCL
6th		9	DISTINCTION

Students with better PSLE Scores will be posted first, even if they did not take HCL

Amongst students with the same PSLE Score, those with better HCL grades will be posted first

# Direct School Admission (DSA)-Sec

To encourage different **peaks of excellence**

DSA-Sec allows students to apply to some schools before taking PSLE.

Students apply based on their **talent in sports, CCAs and specific academic areas**.

If your child is admitted to a secondary school through DSA-Sec, they are not allowed to:

- Submit school choices during the Secondary 1 (S1) posting process.
- Transfer to another school. They must commit to their chosen school for the duration of the programme.

# DSA: Who can apply

Primary 6 students can apply for DSA-Sec based on a wide range of talents, including:

- ✓ Sports and games
- ✓ Visual, literary and performing arts
- ✓ Debate and public speaking
- ✓ Science, mathematics and engineering
- ✓ Languages and humanities
- ✓ Uniformed groups
- ✓ Leadership (for example, prefects)

# DSA: Which school should my child apply to?

- Look for a school with **programmes that match your child's strengths and interests**
  - Learn more about the secondary school's **pace of learning** and overall range of programmes
- **Get the latest information** about what each school offers by:
  - Visiting schools' websites
  - Attending schools' Open Houses to also experience their environments and cultures
  - Visiting the MOE's DSA-Sec website

# How to apply

Students can apply through the centralised DSA-Sec portal. There are no application fees.

## Section I: Talent(s) and School(s)<sup>1</sup>

You can indicate up to 3 choices of talent areas and schools. The choice order does not matter.

Of the 3 choices, a maximum of 2 choices can be used to apply to the same school, for 2 different talent areas.

Note: If you have chosen a school offering both the Integrated Programme and O-Level Programme, the talent area(s) may be offered in both programmes. Please select the preferred programme, if applicable.

# English Language

## The 4 Pillars of Advanced Literacy

### Writing (Maturity of Thought):

It is no longer just about writing a story without grammar errors. It is about **engaging the reader, building tension**, and exploring themes like resilience or integrity.

### Comprehension (Critical Analysis):

Students must "**read between the lines**." We test **Inference** (understanding what isn't said) and **Evaluation** (judging the text).

### Oral (Articulating Opinions):

We move from **simple description to Discourse**. Can the student express a personal opinion on a social topic and justify it clearly?

### Listening (Precision):

Developing the focus to distinguish between similar ideas and **detect subtle nuances**.
